ARCHITECTURAL EXPERIENCE

Architecture Intern
Port of Seattle

June 2025 – Present
Seattle, WA

- Organized concepts for the Seattle–Tacoma Airport play area refresh for stakeholder input.
- Attended weekly design meetings with contractors to review design decisions, material samples, and strategies for upcoming airport expansion initiatives.
- Completed analysis of 8 holdroom locations in adjacency to airport tenant locations to assist with design team's future development of the South Concourse Expansion.
- Devoted 200+ hours towards asset verification by analyzing as-builts and physically confirming field conditions.
- Participated in punch walks for tenant improvement projects.

Design Support
Laura M. Perez

June 2023 – April 2025
Miami, FL

- Coordinated with contractors to follow up on project timelines and deliverables.
- Assisted the two office architects on various projects using Photoshop to create visual presentations.
- Prepared construction drawings for 15+ projects, ensuring accuracy and adherence to design specifications.
- Conducted site visits to assess project progress and gather essential data.
- Compiled field reports to document site conditions and project updates.
- Created high-quality renderings in collaboration with other designers to enhance project visualizations.

Architecture Intern
Jacobs

May 2022 – August 2022
Orlando, FL

- Collaborated with designers, architects, and engineers throughout the state of Florida.
- Won 2nd place in the Jacobs intern competition, which I presented on my experience as an intern.
- Assisted in revising architectural drawings and plans using AutoCAD and Revit.
- Participated in client meetings and presentations, providing support with visual aids & documentation.
- Developed 3D models and renderings to visualize design concepts.
- Supported the project management team with documentation for final construction sets.

FIU National Organization of Minority Architecture Students (NOMAS)

President

May 2023- April 2025

Miami, FL

- Organize and facilitate meetings, workshops, and events to promote architectural education and diversity.
- Established partnerships with local organizations and professionals to create networking opportunities.

Vice President

May 2023- April 2024

- Established partnerships with local organizations and professionals to create networking opportunities.
- Support recruitment efforts to increase chapter membership and engagement.

Treasurer

May 2022-April 2023

- Manage \$3000+ in the FIU NOMAS fundraising account, which provides students' competition costs, club activities, and supplies for volunteering opportunities.
- Volunteer with Project Pipeline and Black Architects in the Making (BAM), which teaches grade K-12 students about minority architects and goes into depth about what architects do and what architecture is about.
